BURNABY CENTRAL CLASS OF ’21 DONATIONS DRIVE

Dear Central Grad Class of ’21 Parents,

The students and parents of the Burnaby Central Senior Secondary Graduating Class of 2021 need your help. Typically, the Central Grad Parent Committee works with the school to join together to create a wonderful safe Dry Grad celebration, however, with current health regulations on social gatherings the grad dinner/dance and Dry Grad events are not possible.

The school is working to ensure that our students and their immediate families enjoy a safe fun-filled special Graduation Ceremony, and most of all, that the graduating Class of ‘21 leave Central with great memories of their high school Graduation Convocation, memories that will last a lifetime.

We understand that these are challenging times and your generous contribution can play a significant role in helping the Central Grad Class of ’21 Parent Committee offer the teachers and administration resources to create a very special and memorable, “Covid friendly event,” for our Grads.

We are asking for a donation of cash that will help offset the cost of putting on the event (such as DJ, decorations, grad gift(s), live stream of the “event”, etc.). Your contribution will make the 2021 Graduation Ceremony a day to remember.

Cash donations of $20.00 or more will receive an income tax receipt from the Burnaby School District 41. Please allow 6 - 12 weeks for processing.

Online donations can be made through School Cash Online. This Online donation is titled, **"Donations for Grad of 2021- Covid Friendly Event."** This donation drive will be open until **May 7, 2021**. Note: Once you have made a donation the option to donate again will not be available on School Cash Online, unless you contact the school to place it back on your students account, so please consider your generous support when you make your donation.

We hope to offer more fundraising initiatives that will be open to the entire school community. Watch out for information and updates on the school’s website and in school newsletters.

Thank you for your consideration and your support. Should you have any questions or concerns, please contact.
