RE: School Community Member Tested Positive for COVID-19

Dear Families,

I am writing to let you know that a member of the Burnaby Central Secondary school community has tested positive for COVID-19. They are self-isolating at home with support from public health.

An early notification letter from the Fraser Health Authority is attached.

- The attached exposure alert is a general notice that someone who has tested positive for COVID-19 has been at school. The dates that this individual attended school are included in the notice.
- These notices **do not** mean that your child has been exposed to COVID-19.

Please be assured that in addition to our regular vigilant cleaning, we initiated a deep clean protocol at the school.

What happens next?

- We are working with Fraser Health as they undertake contact tracing to determine if any other members of our school community were in contact with the person who tested positive for COVID-19, and if any additional steps are required.
- If Fraser Health identifies anyone at the school who needs to self-monitor or self-isolate, they will be contacted directly. Only Fraser Health can determine who is a close contact. If you are contacted by them, please follow their advice.
- We are advised by Fraser Health that students should continue to come into class while [contact tracing](#) is underway. As a reminder, please continue to do the [daily health check](#) to monitor your child for illness.

Please see the attached letter for additional information from Fraser Health. We understand you may have more questions, however for privacy reasons, we cannot provide any further details. We are working closely with Fraser Health to provide ongoing communication as required. Our school will continue to implement the strict protocols and procedures we have in place, so that students can continue to attend school as safely as possible.

If you have questions or concerns about COVID-19, please call 8-1-1.

I want to thank you in advance for your kindness and compassion to everyone in our school community.

Sincerely,

Dianne Carr, Principal
Burnaby Central Secondary
