August 2024

Dear Parents/Guardians and Grade 8 Students:

Welcome to Burnaby Central! At Burnaby Central, our mission is to facilitate lifelong learning for students and staff in a caring, respectful and inclusive environment while encouraging a socially responsible lifestyle. Our staff is looking forward to working with you to make this a memorable school year filled with new friendships, involvement in school activities and academic success. Please make sure you are familiar with general school routines, as well as behavioural and academic expectations. We value an atmosphere of mutual caring, respect and cooperation. These expectations are designed to support our School Code of Conduct at Burnaby Central. Information will be posted on school website, <http://central.burnabyschools.ca/>.

Our school team is here to support you in any way we can to make your transition to secondary school is as comfortable as possible. We encourage all Grade 8 students and parents to take a look at the [Gr 8 Welcome Guide](#) as a resource if you have any questions.

Starting August 28th, Grade 8 students will be receiving a welcome phone call from a Burnaby Central student who is either a member of our Student Government or a member of one of our Leadership classes. Students will be calling from their personal devices, so their numbers will be blocked – so make sure you answer calls from an unlisted number that day if you'd like your reminder about starting your Grade 8 year at Burnaby Central. Every effort will be made by our Student Government members to contact each incoming Grade 8.

Optional Accident Insurance

The school and school district do not cover students if an injury occurs during an extra-curricular, sporting or school activity, i.e. dental injury, broken bone, etc

Student accident insurance offers insurance coverage for students. It is especially valuable for families who do not have extended health or dental plans, or whose plans are limited. For full details and to obtain insurance forms and/ or quotes, please go to <https://www.solutionsinsurance.com/aonbc>.

Student Timetables

Last year, all Grade 8s were given a choice of a Fine Arts elective and an ADST (Applied Design, Skills, and Technologies) rotation elective courses, and we always do our best to make sure that students are enrolled in the classes of their choice. *Grade 8's will be receiving a printed schedule at their orientation on September 3rd.*

As counsellors will be working on student timetables during the last week of August and first few days of September, the MyEducation portal will be opened **on the evening of Friday, August 30th** for students to access their schedules.
