GRADE 12 STUDENT INFORMATION:
HOW TO APPLY TO COLLEGE/UNIVERSITY

It's that time of the year…. time to start thinking about post-secondary options and applications. Here are a few tips, things to think about, and some important dates:

COLLEGE AND TECHNICAL INSTITUTION APPLICATIONS:

Most colleges operate on a "First Come - First Served" basis, so early application is very important. Applying early may mean that you have a better chance of being accepted into a program, provided you meet the program requirements. Another advantage of early application is that you will have an earlier course registration date. Even if you plan to attend university, it is a good idea to apply to a couple of colleges as a backup to your university application. If you would like to apply to a college, these local colleges will start accepting applications soon:

- **Langara**   **Early October**
- **Douglas**   **Early October** (Info fair October 29th from 5:00 – 7:30 pm)
- ***BCIT***   **Continuous**   (Big Info Night – October 9th from 4:00 – 7:00 pm)

HOW DO YOU SEND COLLEGES/UNIVERSITIES YOUR MARKS?

If you are graduating this school year and are applying to a post-secondary institution (PSI) for September admission, you must complete an online application. Failure to complete the online application may delay your acceptance to post-secondary studies! To send your school transcript electronically to post-secondary institutions, go to the Ministry of Education's Transcript and Certificate website (STS) at: **http://www.StudentTranscripts.gov.bc.ca**

Follow these steps:

- Sign up for a BCeID and select your password reset questions and answers.
- Log-in to Student Transcript Service using your BCeID. You will be prompted to:
  - Enter your student information.
  - Read the personal data collection info and complete the process by clicking "submit"
  - An email will be sent to the email address you provided and must be activated within 24 hours.
  - Once activated, you will be able to log onto STS using your BCeID and password.
- From your STS Dashboard, you can choose your post-secondary institutions (PSIs) selections, preview, send and order transcripts, and even view exam results and scholarship information. You will need to consent to enable the ministry to send your transcripts to selected post-secondary institutions electronically or by paper. **Set expiration date to one year from now** so that the institution can see marks throughout the year.
