Optional Accident Insurance

The school and school district do not cover students if an injury occurs during an extra-curricular, sporting or school activity, i.e. dental injury, broken bone, etc

Student accident insurance offers insurance coverage for students. It is especially valuable for families who do not have extended health or dental plans, or whose plans are limited. For full details and to obtain insurance forms and/or quotes, please go to <https://www.solutionsinsurance.com/aonbc>.

Student Timetables

Last year, students selected courses based on their interests, goals, and post-secondary plans, and we always do our

best to make sure that students are enrolled in the courses of their choice.

As counsellors will be working on student timetables during the last week of August and first few days of September, the MyEducation portal will be opened **on the evening of Friday, August 29th** for students to access their schedules.

Course Change Requests

This year, we will be processing all change requests via office form which will be available August 29th at 3 pm on the school website/ via email and the form closes Sept 5th. Students should fill out the office form to send any requests to the counsellor assigned to their last name. Students must attend all classes scheduled on their timetables (even if they are requesting an adjustment). Students should not assume that a course change can be made. Counsellors will do their best to honour the requests, but there are limitations based on what is available. Counsellors will call students from their scheduled classes to discuss requests, where spaces are available.

Instructions for students to check their schedules can be found [here](#). Instructions for parents to see student schedules can be found [here](#). To reset your password please go to our website and click on the link to reset it.

- **Remember, if you are checking your timetable on your phone, you must load the desktop version of the website. The 'Schedule' tab is not accessible on the mobile site.*

COUNSELLORS WILL NOT MAKE COURSE CHANGES UNLESS THERE IS A LEGITIMATE ERROR IN THEIR SCHEDULE **TIMETABLE ERRORS INCLUDE THE FOLLOWING:**

- You are missing a class (have fewer than 8 courses)
- You are scheduled in the wrong grade level of a course
- You are in a class that you have successfully completed
- You are missing a course that is required for Graduation or Post-Secondary Requirements
- You have an extremely unbalanced timetable (ex: 4 academics in one semester)

COUNSELLORS WILL NOT MAKE CHANGES IF...

- You want a different teacher
- You don't like the time of day a class is offered
- Your friends are not in your class

Counsellors know this can be a stressful time for students, and they appreciate your patience.
